Re: 6.500 Proposed Amendments
ADM File No. 2003-04

Dear Supreme Court Clerk;

As a prisoner litigant in pro se. I have concerns about the proposed changes of the 6.500. The proposed (25) page limit is too restrictive. The 6.500 motion is the last avenue a pro se litigant has to present constitutional claims. The changes would be a violation of my last chance at getting into the court. At this time I'm still trying to retrieve material for my 6.500 motion. The time limit would prevent me from gathering the rest of the information I need to fight my case.

Please reconsider the 6.500 Proposed Amendments.

Thank you for your time in this matter.
